La Shelle Dozier
Interim Executive Director
Sacramento Housing & Redevelopment Agency
630 I Street, 3rd Floor
Sacramento, CA 95814

Dear Ms. Dozier:

The Department of Housing and Community Development (Department) has concluded that the City of Sacramento has satisfied all of the conditions required to obtain final designation for their conditional enterprise zone, which the Department awarded to the City of Sacramento. As a result, the Department grants final designation to the Northern Sacramento Enterprise Zone, retroactive to October 15, 2006.

For your records, I have enclosed signed copies of the Memorandum of Understanding and a revised Supplement, both of which document the terms and commitments for the City of Sacramento and the State of California for the 15-year designated period.

The overall mission of the State's Enterprise Tax Incentive Program is to expand job opportunities and economic development opportunities for all Californians. Together with your agency, the Department will work aggressively and cooperatively to achieve these goals in the City of Sacramento.

The Department looks forward to working with you and your staff on this project. If you have any questions regarding the Enterprise Zone Designation, please call me at (916) 327-2862.

Sincerely,
